Standup Notes – 10/23/2024

Summary

- ❖ Powerpoint is created, need to add finishing details to it
    - ➢ Legal stuff still need to be added
    - ➢ File structure needs to be updated
- ❖ Presentation on Friday will be powerpoint intro, then lead into the demo
- ❖ The header and footer is implemented on most of the pages
- ❖ More has been added to the drivers/users part of the scheduling page

Action Items

- ❖ Create history page (showcasing laundry trip history)
    - ➢ Create Figma for history page as well
- ❖ Environment variables
- ❖ Continue to work on legal documentation
- ❖ Need to fix double resources folder issue
- ❖ Continue to work on Schedule page backend
- ❖ Fix overall consistent styling before presentation

Other Info

- ❖ For the future sprint we need to
    - ➢ Conduct ZAP report and fix those changes
    - ➢ HTML/CSS/JS Validation
    - ➢ Code optimization
    - ➢ Add more laundry options
    - ➢ Testing the site to see it's functionality
